APPLICATION FOR EXAMINATION:
COAL MINE ELECTRICAL INSPECTOR

MINIMUM APPLICATION REQUIREMENTS:

1. A citizen of West Virginia, in good health, not less than twenty-four (24) years old, of **good character and reputation, and of temperate habits**; and,

2. Candidates must have at least five (5) years of practical electrical experience* in coal mines, at least two (2) years of which have been in mines in this state, or a degree in electrical engineering from an accredited electrical engineering school and three (3) years of practical electrical experience in underground coal mining;

3. Must submit a copy of your valid West Virginia driver's license with this application.

* Practical electrical experience means the performance of duties requiring a person to be a certified electrician prior to actually performing such duties.

If you meet these minimum requirements, **you must attach official documentation from your employer(s) detailing your years of electrical and underground coal mining experience and the occupation(s) or classification(s) at which you were employed**, beginning with your current employer and position or your most recent employer and position if you are not currently employed in the underground coal mining industry.

If the minimum requirements are not met by the applicant and/or the requested information and documentation is not provided by the applicant, the application will be considered insufficient by the WV Office of Miners' Health, Safety and Training and the applicant will not be eligible to be added to the respective register for employment consideration with the Office of Miners' Health, Safety and Training.

Mail the properly completed paperwork and ***notarized*** application to the following address:

WV Office of Miners' Health, Safety and Training
#7 Players' Club Dr., Ste 2
Charleston, West Virginia 25311
