### 2022 PACKET FOR EXTENSION RENEWAL OF UNDERGROUND AND SURFACE CERTIFICATE OF APPROVAL

To: All WV Underground and Surface Mine Operations  
From: Eugene White, Director *E.E.W.*  
Date: December 3, 2021  
Subject: 2022 Extension Renewal of Certificate of Approval

This packet contains the necessary forms and application for the **2022 EXTENSION RENEWAL** of your **CERTIFICATE OF APPROVAL**.

In accordance with WV Code 22A-2-63(e), annual extensions for all mining permits and certificates of approval are due within thirty (30) days after the first day of January of each year. Each mine operator, applying for an extension of a permit, shall be granted a permit as a matter of right for a fee of one hundred dollars (\$100.00). However, at the time such application is made, the permit holder must be in compliance with WV Code 22A-2-77 and must have also paid or otherwise appealed all coal mine penalty assessments.

In addition, compliance with Unemployment Compensation, Division of Labor, and a current approved Comprehensive Mine Safety Program must be maintained. Proof of Workers' Compensation policy coverage must be provided.

The required application forms for the above referenced extensions are attached to this memo. For your convenience, the WV Office of Miners' Health, Safety and Training has the applications as fillable forms that can be completed and printed, or you can download a copy. Go to <https://minesafety.wv.gov/online-reporting-services/> to look for 2022 Extension Renewal for Underground and Surface Mine Operations. Your extension renewal fee and any coal mine penalty assessments can be paid electronically at <https://minesafety.wv.gov/online-payments>.

The enclosed application, general information form, owners/officers form must be completed in their entirety, including the signature of a company officer, and returned with a check or money order in the amount of \$100.00 per renewal to your WVMHST Regional Office (office addresses listed below). Incomplete applications will cause a delay in your 2022 extension renewal.

All applications must be postmarked no later than January 31, 2022. Please direct any questions concerning the renewal process to your regional WV Office of Miners' Health, Safety and Training.
