Sandy Springs, GA 30350
dmaust@strata-safety.com

Sir,

After the evaluation of the documentation submitted the Office of Miners' Health Safety and Training approves the modification of the approval for the shelter previously approved under Modern Mine Safety Supply, LLC of Huntington UT by changing the name of the manufacturer from "Modern Mine Safety Supply, LLC" to "Strata Safety Products, LLC". All other aspects of the previous approval remain unchanged.

When constructed and maintained as approved these products can be utilized for use in meeting the Emergency Shelters/Chambers requirements outlined in the West Virginia Legislative Rule Governing Protective Clothing and Equipment, §56-4-8 with the conditions noted.

Strata Safety Products, LLC shall, upon request, provide this office with verification of valid orders, delivery dates, and status of delivery in addition to proof of compliance with any directives as required for this office.

Any changes required or enhancements to the approved design affecting the ability to meet any provision of §56-4-8 shall require approval of this Office prior to any affected shelters being placed into operation.

Sincerely,

A handwritten signature in cursive script that reads "Eugene White".

Eugene White, Director
Office of Miners' Health and Safety
