Jack Kennedy Metal Products & Buildings, Inc.
Post Office Box 138
Taylorville, IL 62568

Subject: Approval of Kennedy Chamber under WV Legislative Rule Title 56, Series 4
Emergency Rules Governing Protective Clothing and Equipment

Sirs,

After the evaluation of the results provided by the National Institute for Occupational Health and Safety's (NIOSH) operational evaluation of the Kennedy shelter we have determined that their results confirmed the ability of the your product to meet WV Legislative Rule Title 56, Series 4 Emergency Rules Governing Protective Clothing and Equipment concerning emergency shelters.

We however stipulate that you modify your instruction and training materials to delete a specific rock face temperature and to require a deployment pattern for carbon dioxide sorbet curtains such as to ensure a homogeneous distribution of carbon dioxide along the axis of the shelter.

Jack Kennedy Metal Products & Buildings, Inc. shall, upon request, provide this office with verification of valid orders, delivery dates, and status of delivery as required for this office to enforce §56-4-8.

Any changes required or enhancements to the approved design affecting the ability to meet any provision of §56-4-8 shall require approval of this Office prior to any affected Kennedy Shelter™ being placed into operation.

Sincerely,

A handwritten signature in black ink, appearing to read "Ronald Wooten".

Ronald Wooten
Director
